Plain-language summary (not a substitute for the Terms): EasyBTC is a **non- custodial** SaaS that helps you automate actions on your own exchange accounts via API. You remain in control of funds; we don't execute withdrawals. Some features (e.g., derivatives- related modules) are unavailable in certain countries, including for U.S. retail users. Subscriptions auto- renew until canceled. Nothing here is investment advice.

1) Acceptance of Terms

By accessing or using the websites, apps, and related services (the “**Service**”), you agree to these Terms of Service (the “**Terms**”). If you do not agree, do not use the Service. We may update these Terms from time to time; continued use means you accept the updated Terms. We will post the effective date at the top and notify you when required.

2) Who we are

EasyBTC Technologies LLC (“**EasyBTC**”, “**we**”, “**us**”) provides non- custodial automation and analytics software for crypto exchanges. Contact: support@easybtc.me. Our **Privacy Policy** explains how we process personal data: [/privacy](#).

3) Eligibility & Geographic Restrictions

- You must be **18+** and have capacity to contract.
- You are responsible for ensuring the Service is permitted under the **laws of your country** and the **terms of your exchange**.
- Certain features (e.g., **derivatives- related modules**) are **not available** in some jurisdictions, **including the United States for retail users**. We enforce geo- blocking, self- declarations, and where required, eligibility checks. Do not attempt to circumvent

these controls.

4) Accounts & Security

Register an account with accurate information and maintain the security of your credentials. You are responsible for activities under your account. Notify us promptly of any unauthorized access.

5) Non- custodial nature; Exchange API permissions

- The Service connects to your exchange accounts **via API keys** that you generate and control. You may revoke keys at any time in the exchange settings.
- We require **restricted scopes only** (e.g., read and trade where necessary) and do **not** request withdrawal permissions.
- You authorize the Service to place/cancel orders and read data **within the scopes you grant**, solely to operate the selected strategy or automation.
- You remain responsible for complying with your exchange's terms and settings, including margin, leverage, and risk controls.

6) Plans, Billing & Taxes

- Plans and prices are shown on **/pricing** and may change prospectively.
- Billing currency: **USD**. Payments are processed by **Stripe**; we do not store full card numbers.
- Subscriptions **auto- renew** at the end of each term unless you cancel before renewal.
- You can cancel anytime in your account; access remains until the end of the paid period.
- **Refunds:** see our **Refund & Cancellation Policy** at **/refunds**.
- You are responsible for any **taxes** applicable to your purchases; where required, we will collect and remit indirect taxes (e.g., VAT/GST) based on your billing country.

7) Eligibility checks; Sanctions compliance

For certain features (e.g., derivatives- related modules) and in line with applicable law, we may perform **sanctions/PEP screening**, geo- checks, and, where triggered, **identity verification** through vetted providers. If you fail these checks or provide misleading information, we may restrict or terminate access.

8) Prohibited activities

You agree not to: (a) violate any law or third- party rights; (b) attempt to bypass geo- blocking or eligibility controls; (c) use the Service for fraud, market manipulation, or money laundering; (d) copy, modify, reverse engineer, or resell the Service; (e) interfere with Service operation or security; (f) misuse API keys (e.g., grant withdrawal rights) or share credentials; (g) use automated scraping outside our documented APIs.

8.1) Prohibited jurisdictions

The Service is not available to **U.S. persons** (including U.S. citizens, lawful permanent residents/green card holders, individuals located in the United States, and anyone acting on their behalf) or in any jurisdiction where use of the Service is restricted or prohibited. You agree **not to use VPNs/proxies** to circumvent geolocation controls and to cease use immediately if your status or location changes such that you become a U.S. person or are located in the United States.

9) Intellectual property; License

The Service and all related intellectual property are owned by EasyBTC or its licensors. Subject to these Terms and any plan limits, we grant you a **limited, non- exclusive, non- transferable, revocable** license to access and use the Service for your own lawful purposes. We reserve all rights not expressly granted.

Feedback. You grant EasyBTC a worldwide, perpetual, irrevocable, royalty- free license to use ideas or feedback you provide to improve the Service.

10) Third- party services & Exchanges

The Service depends on third- party services (e.g., exchanges, data providers, payment processors). We do not control their availability or terms and are **not responsible** for their actions or outages. Your use of third- party services is governed by their terms. If an exchange or provider becomes unavailable or changes its API/terms, we may modify or suspend related features without liability.

11) Risk disclosures (important)

- **No investment advice.** Information in the Service is for automation and analytics only and **is not financial, legal, or tax advice.**
- **Crypto & derivatives are risky.** Prices are volatile; **leverage and perpetual futures can magnify losses.** Funding rates and yields fluctuate and can be negative. Past performance **does not guarantee** future results.
- You are solely responsible for positions, leverage, and risk on your accounts.

12) Disclaimers

THE SERVICE IS PROVIDED "**AS IS**" AND "**AS AVAILABLE**" WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON- INFRINGEMENT. WE DO NOT WARRANT THAT THE SERVICE WILL BE ERROR- FREE, UNINTERRUPTED, OR THAT RESULTS WILL MEET YOUR EXPECTATIONS.

13) Limitation of liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW: (A) EASYBTC WILL NOT BE LIABLE FOR ANY **INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES**, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR GOODWILL; AND (B) EASYBTC'S **TOTAL LIABILITY** FOR ANY CLAIMS ARISING OUT OF OR RELATED TO THE SERVICE **WILL NOT EXCEED THE GREATER OF (i) USD \$100 OR (ii) THE AMOUNTS YOU PAID TO EASYBTC FOR THE SERVICE IN THE 12 MONTHS BEFORE THE EVENT GIVING RISE TO LIABILITY.** Some jurisdictions do not allow certain limitations; in those cases, the limitations apply to the fullest extent permitted.

14) Indemnification

You agree to **indemnify and hold harmless** EasyBTC and its affiliates, officers, employees, and agents from and against any claims, losses, liabilities, damages, costs, and expenses (including reasonable attorneys' fees) arising from your breach of these Terms, violation of law, or misuse of the Service.

15) Suspension & termination

We may suspend or terminate access if you breach these Terms, fail eligibility checks, create risks for other users, or if required by law or a third- party provider (e.g., an exchange). You may terminate at any time by canceling your subscription and deleting your account. Upon

termination, your license ends and certain obligations survive (e.g., payment, IP, disclaimers, limitations, indemnity).

16) Governing law & disputes

These Terms are governed by the laws of the **State of Wyoming, USA**, excluding conflict- of- law rules. **Venue:** state and federal courts located in **Wyoming** shall have exclusive jurisdiction, except where consumer laws of your residence provide otherwise. **Class actions are waived** to the extent permitted by law. If you are an EU/UK consumer, mandatory consumer protections of your country of residence remain unaffected.

17) Export controls & sanctions

You represent that you are not subject to sanctions and are not located in, organized under the laws of, or ordinarily resident in any jurisdiction embargoed by the U.S., UK, or EU. You agree not to use the Service in violation of export control or sanctions laws and not to provide access to prohibited persons.

18) Electronic communications

You consent to receive service- related communications electronically (email, in- app). Keep your email current to receive important notices.
